

Town of Pine Lake property owner,

The Town of Pine Lake has contracted with Howard Disposal LLC for waste and recycle collection starting January 1st 2024. Howard Disposal will provide the kind of friendly, professional service you can only find with a local company, where the needs of our customers are top priority! You are receiving this notice as your address appears on the tax roll for Pine Lake. Services are provided to all residential homes within the limits of Pine Lake, if the property you own within Pine Lake is vacant or a commercial unit you can disregard this notice.

Howard Disposal will provide one 95-gallon cart for trash, and one 95-gallon cart for recycle **Carts will be delivered December 8th-9th for all Wednesday and Friday accounts, and December 15-16th for Thursday accounts (weather dependent)**

TRASH COLLECTION

- Collection Day: Will remain the same as your current collection day on a weekly basis starting **January 3rd, 4th and 5th**. Collection times may vary so we recommend setting your cart out the night before or by 5AM on collection day.
- Carts must be placed correctly to ensure collection. *Carts should be placed 12-18" off the street.* Take note of how the carts are placed upon delivery to ensure proper placement.
- No overflow material will be collected. If additional carts are needed, they will be provided at the expense of the resident at \$60/year per additional cart.

RECYCLE COLLECTION

- Collection Day: Will be the same as trash day and collected every other week with the first collection day on **January 10th, 11th, and 12th**. Collection times may vary so we recommend setting your cart out the night before or by 5AM on collection day.
- Carts must be placed correctly to ensure collection. *Carts should be placed 12-18" off the street.* Take note of how the carts are placed upon delivery to ensure proper placement.
- No overflow material will be collected. If additional carts are needed, they will be provided at the expense of the resident at \$60/year per additional cart.

A few placement tips to follow...

to ensure the collection of your garbage, recyclables or yard waste

- 1** There should be 3 feet between carts, yard waste bags and structures such as mail boxes, cars and lamp posts
- 2** Cart should be within 18 inches of the curb
- 3** Face the short metal bar toward the street
- 4** Position the cart on as level a surface possible, away from overhanging tree branches
- 5** Make sure lid is closed

Place your bin carefully & leave space on all sides!
